Waarderweg 50, 2031PB Haarlem - Netherlands.

# Course content

## Why Attend

Selecting the right talent is one of the most important responsibilities of managers and hiring professionals. This course provides participants with advanced interviewing techniques, structured assessment methods, and practical tools to improve hiring decisions, reduce selection bias, and ensure recruitment processes are professional, objective, and aligned with organizational needs.

## Course Methodology

- The course combines interactive presentations, role plays, interview simulations, case studies, group discussions, practical exercises, assessment workshops, and real-life recruitment scenarios to ensure practical application of concepts and techniques.

## Course Objectives

- Understand modern interviewing methodologies and best practices
- Develop structured interview frameworks aligned with job requirements
- Assess candidates objectively using competency-based techniques
- Improve communication and questioning skills during interviews
- Reduce bias and improve decision-making quality
- Conduct legally compliant and professional interviews

## Target Audience

- HR professionals and recruiters
- Hiring managers
- Department heads and supervisors
- Talent acquisition specialists
