Course content

Why Attend

Executives, VIPs and high-profile individuals face threats from criminals, activists and hostile actors, especially when travelling. Executive protection programmes must be proportionate, discreet and professionally managed.

This Aractech course covers threat assessment for principals, protection programme design, advance work, travel security, residential and office security, protective teams and drivers, crisis response and working with authorities. It is a management course, not tactical training.

Course Methodology

- Case studies
- Planning workshops
- Scenario exercises
- Group discussions
- Best practice reviews

Course Objectives

- Assess threats to principals
- Design executive protection programmes
- Plan advance work and secure travel
- Protect residences and offices
- Manage protective teams and drivers
- Respond to incidents and crises

Target Audience

- Corporate security managers

Course content

- Executive protection coordinators
- Travel security managers
- Executive assistants supporting principals
