## Why Attend

FIDIC contracts are widely used for international construction and infrastructure projects. Each book allocates design and risk differently, and practitioners must understand how to administer them correctly.

This Aractech course explains the 2017 FIDIC Red, Yellow and Silver Books, roles of employer, contractor and engineer, time and payment provisions, variations, notices, claims procedures, dispute avoidance and adjudication boards, and practical administration. Participants work through realistic contract administration scenarios.

## Course Methodology

- Clause-by-clause analysis
- Scenario exercises
- Case studies
