Course content

Why Attend

Government contracts must deliver value for public money while complying with procurement law, transparency requirements and audit scrutiny. Contract managers in the public sector face unique constraints.

This Aractech course covers the public contract life cycle, contract types, mobilisation, performance management, payments, variations within procurement rules, disputes, audit and transparency, and contract close-out. Participants develop public contract management plans.

Course Methodology

- Public sector case studies
- Planning workshops
- Variation exercises
- Group discussions
- Reviews

Course Objectives

- Understand the public sector contract life cycle
- Apply procurement rules to contract management
- Mobilise contracts and manage performance
- Manage payments and variations lawfully
- Handle disputes and audit requirements
- Close out contracts and capture lessons

Target Audience

- Public sector contract managers
- Procurement officers

Course content

- Project managers in government
- Finance officers
