# Course content

## Why Attend

This course is designed for supervisors, managers, and individuals at any level within the organization who want to sharpen their leadership capabilities, aspire to learn more about themselves, and are interested in using their influencing skills to manage and lead others. The course takes the participants on a journey of self-discovery and self-reflection and trains them on strategies and skills that will make them shine and thrive in their jobs and personal lives.

## Course Methodology

- This course uses self-assessment tools to diagnose, discover, and explain the participants' ability to manage and lead others. It will also use group presentations, discussions, role-plays, and case analyses.

## Course Objectives

- Increase their self-awareness for better self-management
- Plan and set goals and directions based on values and aspirations
- Earn the trust of others and get results with leadership coaching
- Persuade others by using persuasive strategies and techniques
- Inspire growth and lead others for long-term results

## Target Audience

- This course is ideal for new or experienced supervisors and managers in any function within the organization and for individuals who want to better understand and manage themselves and lead others. The course is also perfect for those looking for a refresher course, a new perspective, or inspiration on the course subject.
- Target Competencies
- Working productively with others
- Communicating and emphatic listening
