Course content

Why Attend

When many projects compete for the same people, overloading, delays and burnout follow. Multi-project resource management balances demand and capacity across the portfolio.

This Aractech course covers resource capacity planning, demand management, skills and roles, prioritisation, resource allocation, tools, conflict resolution and improving resource utilisation. Participants build a capacity plan.

Course Methodology

- Capacity planning exercises
- Case studies
- Tool demonstrations
- Group discussions
- Planning

Course Objectives

- Assess resource capacity and demand
- Plan resources across multiple projects
- Prioritise and allocate scarce resources
- Manage skills and roles
- Use resource management tools
- Resolve resource conflicts

Target Audience

- PMO managers
- Resource managers

Course content

- Portfolio managers
- Department heads

Course outline
