Course content

Why Attend

Organisational resilience is the ability to anticipate, prepare for, respond to and adapt to change and disruption. It goes beyond business continuity to include culture, leadership and strategic adaptability.

This Aractech course covers resilience principles and ISO 22316, resilience attributes, integrating risk, continuity, security and crisis disciplines, leadership and culture, resilience assessment and building a resilience programme. Participants assess their organisation's resilience.

Course Methodology

- Framework presentations
- Resilience assessment
- Case studies
- Group discussions
- Planning

Course Objectives

- Explain organisational resilience and ISO 22316
- Identify attributes of resilient organisations
- Integrate resilience disciplines
- Strengthen leadership and resilience culture
- Assess organisational resilience
- Build a resilience improvement programme

Target Audience

- Business continuity and risk managers
- Senior executives

Course content

- Strategy professionals
- Security and crisis managers

Course outline
